II. TECHNICAL ASSESSMENT (To be filled by Qtech Team - Corresponds to items above)

No	Feasibility Analysis (Feasible, Needs Info, Not Feasible)	Action Plan/Technical Note	Est. Hours	Target Date	Billing Type (Warranty, Billable, Quotation Required)	Estimated Charge (800/hr)
1	Feasible (Needs Info)	Procurement Search Engine & History: Backend: Unified View (PO, Budget, Liquidation). UI: Search Grid. REQUIRE CLIENT SPECIFICATIONS ON: 1. Search Filters: Besides Material Name, do you require filters for Date Range, Project Code, Specific Supplier, or Requesting User? 2. Column Details: For "Amount", should the system display the Unit Price (per pc) or the Total Line Amount? 3. Data Scope: Should the search pull only Approved/Posted transactions, or should it include Pending ones as well? 4. Reporting: Does "Reports" mean a standard Export to Excel, or a specific Printable PDF Layout? (If PDF, client must provide the exact layout format).	24.0	TBD (Upon confirmation)	Retainer	0
2	Feasible (Needs Info)	Generate Canvass Feature: Develop logic to bypass PR and create Canvass directly from the Search row. REQUIRE CLIENT SPECIFICATIONS ON: 1. Quantity Logic: Since historical data has old quantities, should the system copy the old Qty, or default to 0 (forcing the user to input the current need)? 2. Project Charging: Does the system copy the old Project Code, or force the user to select a New Project? 3. Supplier Mapping: Should the Old Supplier be auto-filled as "Supplier 1" in the new Canvass form? 4. Batching: Can the user tick/select multiple search items to generate ONE consolidated Canvass Reference, or is it strictly a 1-to-1 generation?	40.0	TBD (Upon confirmation)	Retainer	0
3	Needs Info	Report Layout / Format: Creation of the generated report layout based on the search engine data. REQUIRE CLIENT SPECIFICATIONS ON: 1. Sample Format: Please provide a physical or digital sample (Excel/PDF screenshot) of exactly how the generated report should look. 2. Grouping: Should the report group items by Project, by Supplier, or simply list them chronologically? 3. Signatories: What signatory lines are required at the bottom of the report?	16.0	TBD (Upon confirmation)	Retainer	0
